Mission Statement

FLCDC's mission is to foster an environment for the youth and families of the Mercy Drive corridor that will promote pro-social friendships, strengthen interpersonal skills, and develop a sense of hope in the future. Through repeated failures in the classroom and the development of destructive habits, at-risk young people have lost faith in the possibilities that await them if they are successful in putting their lives together. Only through personal relationships, within and outside the family, can a sense of individual responsibility and accountability be established that will develop within young people the commitment to follow their path to adulthood with a sense of pride and accomplishment.
